Dear Jan,

Thank you for your submission to Craft ACT. Craft + Design Centre 2019 Exhibition program.

Craft ACT received a record number of expressions of interest for their 2019 exhibition program: 38 proposals in total, compared with 21 for the last call out (2018 program), and 17 from the previous year (2017 program). This demonstrates increasing interest from the craft and design sector to participate in the Craft ACT Artistic Program, for which we are very grateful.

Your exhibition proposal has now been considered by the Craft ACT and our Artistic Excellence Panel comprising 5 Accredited Professional Members from different craft mediums.

I am delighted to inform you that your submission has been successful, and we would like it to be part of our 2019 Exhibitions program. Next week, Paula Llull, our Gallery Manager, will contact you to discuss further details.

We would like to thank you for your time and effort in submitting a proposal on this occasion, and we are pleased that you considered CraftACT: Craft + Design Centre for your exhibition. We are looking forward to work with you.

Best Regards,
